

Congress of the United States
House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **COVID-19 Student Impact project** in fiscal year 2022.

The entity to receive funding for this project is University of Texas at Dallas, located at 800 W. Campbell Rd, Richardson, TX 75080.

The funding would be used to identify which college students in Texas have been most affected by COVID-19, where educational inequities have been exacerbated, and which institutional efforts show promise in retaining, supporting, and re-enrolling college students. The project is responsive to the Fund for the Improvement of Postsecondary Education (FIPSE) by driving improvements in postsecondary access, success, and quality for Texas students as the state emerges from COVID-19.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
